MUNICIPAL ENGINEERING INDEX

VOL. LIII. JULY—DECEMBER, 1917.

Capital Letter E., refers to Editorials.

Acetylene Light, An Improved Portable.165
Air Compressor on Varied Trench Work in New York City, Using, by C. L. Edholm 196
Air Compressor, Portable, Features of A.255
Alabama Getting Ready for Federal Aid Road Construction 212
Amendment of Priority Order No. 2, for the, E.....223
Asphalt Pressure Distributor Wagons, Design and Use of.....163
Asphalt Road Heater, Method and Cost of Melting Snow with.....206
Asphalt Streets, Improved Methods of Resurfacing and Patching, in Detroit, by A. C. Proctor.....185
Automobile Salesmen, How the Pierce-Arrow Motor Truck Co., Trains.....217
Ayer Cantonment, Bids for Removal of Wastes, Vary Widely.....148

Bacon Was Right, E.....224
Bidding, Careless, E.....128
Bids, Low, Received by Ohio State Highway Department on September 7, at $1,338,516 Letting 170
Breakers, Concrete, for Trench in Pavement 116
Bridge Bids Received on Contracts Awarded in August by Illinois Highway Department 169
Bridge, Concrete, Design and Constructional Features of the Oakland Avenue Reinforced, Piedmont, Cal.....151
Bridge, Concrete Steel Arch, Design and Construction of the Third Avenue, South, Minneapolis, Minn.....242
Bridge Designs, New, of the Minnesota Highway Commission 151
Bridges and Road Culverts in Pettis County, Missouri, Design and Construction of, by T. O. Stanley.....205
Bridges, Concrete, Pennsylvania Specifications for Culverts and Short-Span..203
Bucket Loader, A Self-Feeding.....253
Build, Go On Planning to, E.....224
Build Now, to Save Money, E.....127

Camp Devens, Ayer, Mass., Plant Units Used on Construction of.....255
Camp Grant Cantonment, Rockford, Ill., Methods Employed in the Construction of 88
Catch Basin, An Odorless Cast Iron Sanitary 210
Chicago's Municipal Steam Turbine Pumps 23
Chute, Concrete, Counterbalanced..... 79
Chute, Material, on Shore Tunnel..... 83
Cities Should Continue Planning Improvements During the War.....229
City Planning, Influence of War on..... 91
Clam Shell Bucket, A Big.....118
Composite Calculator for Engineers, A..254
Compressed Air Equipment in Making Street Openings, Method and Cost of Using 235
Concrete Bridge, New Type of..... 59
Concreting in Cold Weather, Some Hints on 228
Concrete Mixer, Portable..... 84
Construction Methods, Speedy, in Increasing Seating Capacity at White Sox Ball Park.....179
Contractor and Publicity, The, E.....128
Contributors, Special, for 1918, E.....224
Cost-Plus Contracts, A Good Time for, E 45
Conveying and Loading Machine, Portable 117
Cranes, Locomotive, on Sewer Job..... 71
Curbing Materials, Street, Experience of Various Cities with.....231
Curbs, Concrete, The Construction of, for Asphalt Roads.....136
Curse of the Contracting Business, The, E 127

Dewatering Activated Sludge, Various Methods of, by Edward Bartow.....148
Distributor, Trailer Oil..... 36
Ditcher Makes Good Run on Cantonment Job 163
Drag Line, Two-Mile Haul Saved by.... 41
Dump Wagons, Cable System Handles.. 25

Earthwork, Instrument for Measuring.. 38
Editorial Changes, E..... 87
Electric Light Plant, Paulina, Ia..... 41
Electrolysis Problem, Seattle..... 95
Engine, Light-weight, Contractor's..... 35
Engineering Agency, A Unique, Created by United States Department of Labor 212
Engineering Problems, Solving, by Popular Vote, E.....176
Engineers, Opportunities for, in the Selling Field, by N. H. Jacobsen.....121
Engineers, What Type Should Go Into the Contracting Business?.....157
Engineers, When Will, Be Better Paid? E 175
Excavator, Cableway 78
Expansion Joint, Holds in Place..... 76
Expansion Joints, Installing Premolded. 61
Expansion Stresses, Concentration of, Due to Imperfect Grouting, the Cause of Brick Pavement Failures, by C. C. Wiley 180

Finishing Costs, Cutting Down..... 30
Fire Boats, Chicago's Electric..... 85
Fire Engineering 159
Fire Hook, Detachable..... 44
Fire Protection System, The Design, Construction and Operation of Toledo's New High Pressure, by W. J. Sherman 221
Firemen, for Protection of, Mechanical Lungs 44
Fires, Los Angeles, Cut 50 Per Cent.... 43
Flood Lamps Facilitate Night Construction Operations.....256
Flood Prevention Project, The $25,000,000, at Dayton, Ohio.....213
Floor and Roof Construction, the Uni-Form System of.....256
Flusher, Gas-Electric, Cleans New York Streets 62
Full Speed Ahead, E..... 1
Fresh Start Now, Get a, E.....128

Gaining Machine Replaces Hand Labor. 80
Gallows, Unique Frame and Hoist, by A. B. DePuy, Jr..... 75
Garbage Collection, Motor Haulage Reduces Cost 50 Per Cent. in San Antonio 111
Garbage Disposal, Effect of the War on.110
Gravel Screen, Compact, A..... 80
Gravity Concrete Distributing Plant, A Steel Tower, Open Boom, Counterweight Chute, Quick Shift.....165
Grinding Steel Plates in Concrete, Device for 113
Grout Mixer Lowers Paving Cost..... 83
Gun Mounted on Corduroy Traction, a Feature of Milwaukee Liberty Loan Parade 253
Gypsum Roof Deck, Details of..... 27

Haulage Cost, Getting at the..... 28
Heater, Portable Asphalt..... 37
Heating Furnace, Portable, for Bituminous Pavement Tools.....164
Heavy Centers, Economical Handling of. 69
Highway Commission, Oregon State, and Contractors Pleased with Cost Plus Percentage Contracts 250
Highway Departments, State, Outstanding Features of the Work of Various, This Season 129
Highway System, State Trunk, in Wisconsin, Maintenance of.....236
Highway Maintenance Work in Maryland, Cost of, by H. G. Shirley.....184
Highways, Freight, Motor Truck Haulage on 234
Highways, National Military..... 62
Highway, State, Department Assistance 73
Highways, Motor Truck Freight, E.....224
Hose Clamps, Tool for Applying..... 71

Imhoff Tanks, Conversion of Settling Tanks Into, Through Use of Light Steel Forms 28
Incinerator, Toronto, Exceeds Burning Capacity Guarantee by 133 Per Cent..146
Instrument for Measuring Earthwork... 38

Jeffrey Quad. Tests, Gilbert, Minn..... 43
Joint Leakage in Vitrified Pipe Line, by William J. Brush..... 55

Laboratory, Field, Traveling..... 74
Leadite Joints, Experience with, at Windsor, Conn. 238
Leak Indicator, Novel..... 66
Leaks, Methods Succesfully Employed in Repairing, in Belleville, Wis., Concrete Stand Pipe.....239
Leveler, Road, A Self-Operating,.....211
Lighting, Ornamental, For South Bend,. 76
Loading and Conveying Machine, Portable, ...117
Loading Machine Lowers Cost..... 81
Locomotive Hopper, New..... 34
Locomotive Steam, New Type..... 40

Machinery, Labor Saving, Buy Now, E.. 45
Main Across River, Laying 48-inch..... 22
Manhole Cover, New Pivot Lock..... 30
Measuring Load on Truck Axles..... 70
Meetings of Organizations..... 77
Meter Settings, and New Constructions at Lansing Water Works, Notes on..252

v. 218

628.05 M92
v. 53

Meter Top, "Standardized".....117
Metric System, The, E.....176
Mixer, Concrete, A New 10-cu. ft.....208
Mixer, Yardage, Automatic Features Increase 39
Mixers, Portable, Used to Serve Distributing Towers 82
Mobile Equipment Drives Trench Sheeting Swiftly and Economically.....158
Motor Shop, Municipal 68
Motor Truck, A New Five-Ton.....209
Motor Truck Freight Highways, E.....224
Motor Trucks in Highway Work.....159
Motor Trucks in Public Service..... 14

News of the New Things..... 72
Nepaug Dam, of the Hartford Water Works, Construction Plant and Methods Employed in Building, by H. W. Griswold 191

Pavement, a Steel Surfaced 27
Pavement Construction, Brick, The Recent Revision of Ideas About.....137
Pavement in Franchise War.....114
Pavement, Monolithic Brick, Rapid Progress Made in Laying.....151
Pavement, New, Using Old Concrete Base in, on Widened Streets.....206
Pavement, Old Sand-Filled, Relaid Monolithically 207
Pavement Openings, Present Practice and Regulations Pertaining to, by Arthur H. Blanchard..... 98
Pavement Problems on New York Bridges, by Edward A. Byrne..... 57
Pavement, Quincy, Ill., Concrete, in Good Condition 252
Pavements, Brick, Present Practice in the Construction of, in Chicago, by H. J. Fixmer 133
Pavements, Cost of Constructing Brick and Asphaltic Concrete, in Kalamazoo, Michigan 249
Pavements Expansion Cracks Curb.... 62
Pavements, Items to be Considered in Selecting Pavements in Toledo.....184
Pavements, Old, Conserving the City's and County's Assets by Utilizing, as Foundations for New Surfaces.....182
Pavements Torn Up for Water Works Construction, The Best Method of Making Repairs to.....237
Paving Black, Corrugated Wood.....103
Paving Block, in New Form..... 61
Paving Block, Rectangular Wood and Kreolite Lug, Relative Bleeding of....136
Paving Blocks, Cement-Iron..... 68
Paving, Combining Brick or Granite Block, with Wood Block.....181
Paving Gage, A New Adjustable..... 40
Paving Mixer, Standard Street..... 40
Pipe Hauling, a Special Trailer For....253
Pipe Line Street Flusher, A.....117
Pipe Pusher That Saves Pavements, A..210
Pipe, Steel, Using Permanent Concrete Covering to Prolong Life of.....195
Pipe Sewers and Sewage Treatment Plant, Recent Bids on..... 97
Pivot Lock Cover for Sewers and Street Sweepings Receptacles.....208
Planning Board for City Work..... 16
Plant Units Used on Construction of Camp Devens, Ayer, Mass.....255
Pole Jack, a Powerful..... 39
Presidential Election, 1920, The, E.....175
Public Improvements, Why Cities Should Continue Making, in War Times.....115
Public Work, Let, Go On, E..... 1
Pump, A Portable Gas Engine.....118
Pump, Asphalt, for Paving Construction, An 211
Pump, Make-up and Cost of Home-Made Portable 119
Pump, Methods Employed in Recovering the, from Bottom of Deep Well.....237
Pump, Motor Truck Manhole.....37
Pumper, Sand, Oil Engine..... 41
Pumping in Michigan, Electric..... 20
Pumping Unit, A Compact.....119
Pumps, Centrifugal, Official Duty Tests of Steam Turbine Driven, at Sixty-eighth Street Pumping Station, Chicago 149
Pumps, Motor-Driven, Deep-Well Maintenance of, by Melvin L. Enger..... 67
Pumps, Using Battery of Diaphragm, to Pump Tidewater 164

Refuse Collection Wagon in Successful Use in Dallas, Texas, A.....114
Refuse Incineration Works on the Most Economical Basis, Contract Plans and Specifications for Obtaining, by Rudolph Hering 201
Replacing Men on Maryland Job..... 80
Reservoir, Design and Construction of 1,500,000-gal, Re-Inforced Concrete, by H. F. Blomquist.....189
Refuse, Collection and Disposal of, in Louisville, Ky., Recommended Methods for the 246
Relations of the Engineer to the Contractor, The 178
Roadbuilding, Care in Details, Lowers Costs, by Lester H. Morris..... 60
Road Building Program, Essential Elements in the Great Illinois.....166
Road Building Stimulates Business and Facilitates Its Processes.....251
Road Census, Significance of Data Collected in Iowa.....186
Road Construction and Maintenance in Rhode Island, by Irving W. Patterson.188
Road Construction, Hurried, at Mount Gretna, Pa., Military Camp, Methods Employed in 102
Road Culverts and Bridges in Pettis County, Missouri, Design and Construction of, by T. O. Stanley.....205
Road Leveler, A Self-Operating.....211
Road Maintenance, The Improved System, in Washingtin, by George F. Cotterill 188
Road-Making Materials, Comprehensive Survey of Deposits of.....104
Road Materials, Combining, to Withstand Forces Incident to Motor Haulage 230
Road Materials, Some Recommended Changes in, Testing.....102
Road Patching Machine, A..... 70
Road Roller, Concrete, Successfully Employed on Vermillion County (Ill.) Roads, The, by P. C. McArdle.....156
Road Roller, With Scarifier Attachment, Special 255
Road Scarifier, Pneumatic, A..... 78
Road Shoulders, Maintaining..... 62
Road Train, Efficient Haulage, with.. 15
Road Work in Kentucky, Some Features of 233
Road Work in Utah, in 1917, Outstanding Features of.....233
Road and Street Signs.....228
Roads, Country, The Importance of Proper Maintenance of, by J. D. Fauntleroy 144
Roadways, Resurfacing with Tar-Macadam Cold-Mix, by John S. Crandell..187
Rock Crusher, Portable..... 79
Rock Drill, A New Gasoline.....254
Roller for Finishing Concrete Roads and Pavements, A 163
Roof and Floor Construction, the Uni-Form System of 256

Saint Louis Mechanical Filtration Plant, Some Experience in Operating the....109
Salesmen you ought to know....122-155-219
Sand Tester, Universal..... 84
Sawing Outfit, A Portable Gasoline.....208
Self-Loading and Self-Dumping Machine, A 162
Selling the Services of a Construction Co., by Leonard C. Wasson.....153
Septic Tanks for Small Plants..... 21
Sewage Treatment Plant, Making Sure of Proper Operating Methods at York, Pa. 197
Sewage Treatment, Some Characteristics of the Activated Sludge Process of 108
Sewage, Treatment of, Activated Sludge Process, Some Conclusions Reached at Milwaukee on 243
Sewer Cleaning Device, Novel..... 19
Sewer Cleaning Machine, Improved.....116
Sewer Construction Work at Elmhurst, Ill., and South Bend, Ind., Using Lock Joint Sewer Tile, Features of.....139
Sewer Pipe, Recommended Practice for Laying 140
Sewer Siphons, Inverted, Designing, by Joseph L. Hunt.....100
Sewerage Problems and Water Supply at the Camp Pike Encampment, Solving the, by E. B. Black.....177
Sewer and Water Systems at Camp Custer, Battle Creek, Mich., Design and Construction of 241
Shandaken Tunnel Contract, Information for Bidders on..... 96
Shovel Runners, Cautions for.....112
Shovel, Steam, Lifts Itself..... 38
Siphon Tunnel, Methods Employed in the Construction of a, Under the Milwaukee River 225
Sprinkler, Street, Speedy..... 71
Steel Cofferdams, Outside Templates on. 26
Stone Spreader and Distributor.....209
Street Cleaning, Efficiency Methods in.. 11
Street and Road Pavements, Their Design, Construction and Maintenance... 46
Street and Road Signs.....228
Street Railway Tracks, Paving..... 17
Street Roller Tender or Tool Wagon, Home-Made 157
Street Widening Job, Getting Action on Long-Delayed 133
Streets, Non-Skid, The City of..... 61
Substitution, Legitimate, E..... 87
Swimming Pools, Large Rustic, Constructed at Small Cost.....132

Telephone, Field, for Road Work..... 41
Testing Sands, A Simple Method of.... 32
Track, Build on Pipe..... 73
Tractor, Equipped with Hoist..... 34
Tractor, Gasoline, for Road Work..... 81
Traffic, Relief from Excessive, by Eugene W. Stern 30
Trailer, New End-Dump.....120
Transfer Machine, Traveling, Useful on Construction Work 255
Trench and Tunnel Excavation, by J. F. Springer 6-50
Trenches, Machine Dug, for Railway Tracks 33
Truck, A Special Combination Dump and Stake Body 165
Truck Cab, An All-Year, For the Contractor 118
Truck, How Many Miles from A?..... 75
Truck, Industrial, for Hauling Material..120
Truck, Keep Up with the..... 92
Truck, The United States Liberty Motor 212
Trucks Operate on Distillate.....113
Trucks, Powerful, Harrisburg Buys..... 86
Turbine Traction Grader Makes Good Record on Chicago Streets.....164

Unloader, A One Man Car..... 35
Unloader, Automatic Car..... 79

Vermillion County Highway Improvement, by T. C. McArdle, Supt. Engineer 9
Vise Standard, Portable..... 83

Wastes, Bids for Removal of, from Ayer Cantonment Vary Widely.....148
Water and Electric Plant, Procedure in Maintenance and Operation of McPherson, (Kans.) by Arthur Groesbeck 192
Water and Light Methods and Suggestions, by Paul W. Doerr..... 63
Water and Sewer Systems at Camp Custer, Battle Creek, Mich., Design and Construction of 241
Water Ballast Roller, A.....120
Water Consumption, Continuous Heat Raises 77
Water Heater, Portable, for Contractors 118
Water Main Cleaning, Low Cost..... 19
Water Mains, Joining Cast Iron, with Cement 146
Water Meters, Frozen, Experience With, in Terre Haute, Ind.....205
Water Meters, Use of, by Metropolitan Water District, Boston, Defers Construction of New Works and Lowers Cost of Maintenance.....238
Water Meters, Does Installation of, Affect Public Health?.....151
Water Pipe, Cement Coated..... 84
Water Pipe, Trench, Thawing..... 13
Water Purification in Panama..... 66
Water Service Connections in St. Paul, Installing and Maintaining, by Garrett O. House..... 93
Water Supply and Sewerage Problems at the Camp Pike Cantonment, solving the, by E. B. Black.....177
Water Systems, Projects Embraced in the Program for Expanding Seattle Municipal 167
Water Tanks, Steel, Method Employed in Constructing Ornamental Concrete Shell for 240
Water Tunnel, Wilson Ave., of the Chicago Water Works, Methods and Progress of Lining the.....105
Waterway Development, "Pork" and, E 176
Waterways Commission, Federal, A....112
Water Works Reconstruction, Extensive, at Wheaton, Illinois.....145
Who Is to Blame?.....158
Wooden Ship Construction, A Glimpse of 206
Woodville Avenue Sewer, Toronto, Ont., Construction Plant and Methods Employed in Building the.....140
